

## RANGE OF OUR SERVICES

In-Detail comprehensive range of end-to-end services

### Global Med Study: Your One-Stop-solution for a Hassle-Free MBBS Abroad Journey

From Aspiration to Achievement: A Comprehensive Range of Services

We understand the complexities and upfronts, a medical aspirant faces while deciding on pursuing an MBBS degree abroad. We know students better, as we have been in the domain since 2015, and offer a comprehensive premium suite of services, each designed to empower you throughout your entire journey.

Here's a breakdown of our support system, ensuring a seamless transition and a successful career in medicine studying MBBS abroad:

#### Pre-Departure Guidance (Helping You Choose Your Path):

- **Counseling for MBBS Abroad:** Our experts guide you through the process, understanding your aspirations and tailoring a plan and student profile to match your academic strengths and preferences.
- **Country Selection:** We help you choose the ideal country based on factors like budget, university options, living environment, cultural aspects, and future options.
- **University/College Selection:** We assist you in selecting the most suitable university considering international accreditations, recognitions, program structure, duration of course, faculty experiences, facilities, and your specific goals.
- **Decision Making and Finalization:** We help you out with personalized guidance to help you make informed and attentive decisions to ensure a smooth application process.

#### Admissions and Visa Support (Securing Your Spot):

- **100% Confirm Admission Guarantee (conditions apply):** We leverage our strong university partnerships to provide the best chance of admission (subject to eligibility meeting university requirements, and seat availability).
- **Ministry Approval:** We obtain necessary ministry approvals for each individual studying medicine abroad.
- **HRD Documentation & Translation:** We facilitate document procurement and translation required for university applications, and visa processes.
- **Visa Applications & Processing:** We get the visa application process, ensuring complete and accurate documentation.

#### Travel and Arrival Assistance (Making Your Transition Smooth):

- **Travel Management:** We get you your flight bookings done (one-way ticket to the destination-T&Cs apply), immigration support, and logistics for a stress-free journey.
- **Pre-Departure Support:** We organize Q&A sessions to address your concerns, doubts, and inquiries (if any), and connect you with the social media community of existing and future classmates.
- **Airport Pickup with a Certified Person & Team:** We ensure a warm welcome and smooth arrival with a dedicated team to help you settle in.

#### Ongoing Support During Your Studies (Your Home Away From Home):

- **Local Assistance & Support:** Our representatives are available to help you adjust to new life in a new country and navigate any new or unknown, or uncertain challenges that may/may not arise.
- **Hostel Settlement:** Helping you with settling and getting yourself comfortable in your hostel.
- **Indian Mess/Food Management Services (Optional):** Connecting you with Indian food options or assisting in managing food arrangements if desired (T&Cs apply).

# GLOBAL MED STUDY

- **Medical Assistance:** Providing and supporting you with accessing healthcare services and navigating the local medical systems when needed.
- **Academic Support Services:** We provide academic support resources like study material, highly specialized labs, workshops, and other resources to help you excel exponentially in your medical studies.
- **Tech-Support (IT Materials):** We assist you with obtaining essential IT resources and materials for your academic journey.

## Beyond Academics: A Well-Rounded Experience (Your Social and Professional Growth):

- **Legal Assistance (Bank Account Opening, Passport Matters, etc.):** We offer guidance on navigating legal matters, including opening bank accounts and passport renewals.
- **Yearly Scheduled Parents-Meetup Programs:** We bridge the gap for your family by organizing yearly events where parents can connect with university officials and fellow parents.
- **Social & Cultural Events:** We organize events and activities for you to connect with classmates, explore the local culture, and build a strong support network.

## Career Development and Networking (Building Your Future):

- **Licensing Exam Mentorship & Training (FMGE/USMLE, etc.):** We offer guidance and resources to help you prepare for licensing exams required for practicing medicine in your desired country.
- **Networking Opportunities:**
  - **Welcome Events (Freshmen Induction):** We facilitate a smooth integration into the university community through welcome events.
  - **Orientation Programs:** Our comprehensive orientation programs provide you with vital information about the university and city.
  - **Globally Active Biggest Alumni Network (Alumni Mentorship Program):** We connect you with a vast network of alumni for mentorship, career advice, and lifelong connections.
  - **Online-Offline Events with Healthcare Professionals:** We host events where you can interact with doctors, nurses, and other healthcare professionals to explore career paths.
- **Lifelong Connections & Growth Opportunities:** We maintain a lifelong connection with you, providing support and resources throughout your medical career.
- **Placement Support:** We assist you in finding internships or job opportunities after graduation.
- **Career Enhancement Support:** We provide ongoing guidance to help you advance your medical career through workshops and skill development resources.

### And Much More...

Global Med Study goes beyond this list, continuously expanding and innovating our services.
